Introduction to Microsoft's Datacenter Construction Business

Join us on Teams
September 28, 2022
12:00 PM – 1:00 PM

This event will provide an overview of Microsoft's cloud operations and datacenter business, the sourcing process leveraged to support datacenter construction projects, opportunities for Diverse Suppliers to be involved with the San Antonio build projects and a Q/A session for you to ask questions.

This virtual event is being hosted by Microsoft in partnership with the Southwest Minority Supplier Development Council, whose mission is to create opportunities and an environment for minority business enterprises to grow, and to actively add value for corporate members through positive business relationships.
